These provisions clarify the accounting for uncertainty in tax positions taken or expected to be taken in a tax return. The tax benefit from an uncertain tax position is only recognized in the statement of financial position if the tax position is more likely than not to be sustained upon an examination, based on the technical merits of the position. Interest and penalties, if any, are included in expenses in the statement of activities. As of June 30, 2010, FAME had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.
